

*Specifically Formulated for All Moldings and Stair Solutions*

# MOLDING ADHESIVE

*Early Grab, Fast-Curing Formula • High Strength, Waterproof • Extremely Low VOC*

## WARRANTY CERTIFICATE

### Artistic Finishes™ Molding Adhesive Limited Warranty

Artistic Finishes Inc. ("Artistic Finishes") warrants that Artistic Finishes™ Molding Adhesive (the "Product") will be free from manufacturing defects and will provide the intended bond performance when used as directed for the interior installation of approved Artistic Finishes™ molding products.

This limited warranty is valid for:

- 10 years for residential installations.
- 5 years for light commercial installations.

Warranty coverage applies only when the Product is stored, handled, and applied in accordance with the instructions on the product tube and Artistic Finishes' current installation guidelines. Product that has been frozen, improperly stored, used beyond its shelf life, or otherwise mishandled is not covered.

Adhesive recommended conditions:

- 60-85 degrees F
- 30-65% Relative Humidity

In addition, all installation surfaces and adhered products must be installed, prepared, and maintained in accordance with their applicable product specifications, installation instructions, and industry-accepted installation practices. Installation surfaces must be clean, dry, sound, porous, structurally stable, and free of dust, dirt, grease, sealers, coatings, moisture, or any other contaminants that may interfere with adhesion or bond performance. Failure to follow the applicable installation instructions or product specifications, or use of the Product under unsuitable substrate, job-site, or environmental conditions, may adversely affect bond performance and is not covered under this warranty.

NWFA recommended environmental conditions for wood floor and accessories:

- 60-80 degrees F
- 30-50% Relative Humidity

To obtain warranty coverage, the original purchaser must notify Artistic Finishes promptly upon discovery of the alleged defect and provide proof of purchase. Artistic Finishes reserves the right to inspect and evaluate all warranty claims before any repair or replacement is performed.

If, following inspection and evaluation, Artistic Finishes determines that a bond failure is the direct result of a manufacturing defect in the Product during the applicable warranty period, Artistic Finishes will, at its sole discretion:

Replace the Product at no cost to the purchaser; or  
Refund the original purchase price of the Product.

Labor, removal, reinstallation, shipping, and all incidental, indirect, special, or consequential damages are excluded from this warranty to the fullest extent permitted by applicable law.

This warranty applies only to adhesive bond failures and does not cover failures resulting from improper installation, installer workmanship, substrate or job-site conditions, misuse, abuse, improper storage or handling, use outside the Product's intended application, normal wear and tear, acts of nature, or any other conditions beyond Artistic Finishes' control.

Any repair, replacement, or removal of Product completed prior to inspection by an authorized Artistic Finishes representative may void this warranty.

This warranty is non-transferable and constitutes the exclusive warranty for the Product. Except as required by applicable law, Artistic Finishes disclaims all other express or implied warranties, including any implied warranties of merchantability or fitness for a particular purpose.

This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.
