

Enduracor™ A Flawless Finish

Finding the perfect blend of durability, water resistance, and seamless aesthetic integration can feel like a challenge when you're on the hunt for accessories to accompany your flooring projects. That's why Artistic Finishes is proud to introduce Enduracor™, a game-changing solution that's revolutionizing the flooring industry.

Designed with cutting-edge technology and performance in mind, our Enduracor™ material delivers a new level of strength and water resistance without sacrificing style or affordability.

DURABLE

Provides high performance durability with 4 layers of protection

WATER-RESISTANT

Eliminates the chance of moisture absorption

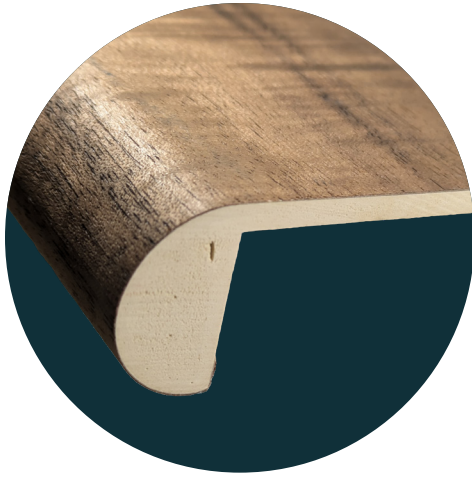

STAINABLE

Blends into your current flooring

COST EFFECTIVE

Is less expensive than traditional wood accessories

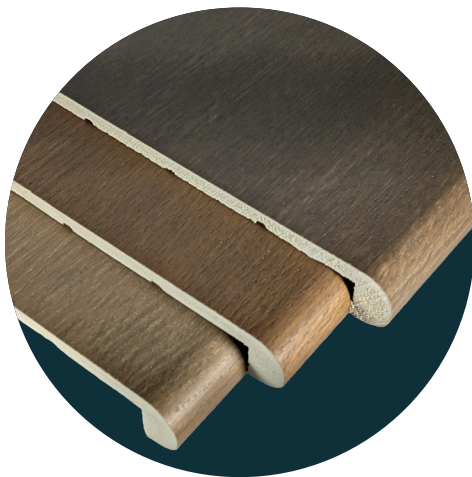

Enduracor™ Wood Veneer

- Overlap Stair Nose
- Flush Stair Nose
- Adjustable Stair Nose
- Square Nose
- T-Mold
- Overlap Reducer
- Wall Base
- Quarter Round
- Enduracor Track

Enduracor™ Flush Vent

We are proud to present our new Enduracor™ Flush Vent to help complete our product offering for vinyl floor applications. It's an exact match to your flooring because it is your flooring! Ordering these vents will require flooring plank cutoff(s) shipped FREE to Artistic Finishes for manufacturing. We will manufacture the vent and then ship it back to you with a universal damper/support and installation instructions.

Enduracor™ Stair Treads

Artistic Finishes is proud to present our newest Enduracor offering: Stair Treads. The tread allows you to complete the installation of a staircase in no time. Offered in both a traditional round bull nose as well as the contemporary square nose bull.
