WHAT: Artistic Finishes Accepts Twin Cities Small Business Success Story Award

WHERE: Hilton Minneapolis

WHEN: January 11th, 2017

Minneapolis, Minnesota based Artistic Finishes, Inc. was awarded a Small Business Success Award by Twin Cities Business. Twin Cities Business is Minnesota's leading provider of business news, insight, and analysis through daily news stories.

Artistic Finishes was honored for bouncing back after the recession by going lean and continuing to innovate. By keeping operations lean and nimble, Artistic Finishes has been able to respond to changes in consumer preferences time and time again. They were one of 10 Minnesota-based companies honored at the awards ceremony on January 11, 2017, out of over 80 nominees.

"We would not be accepting this award if it weren't for the loyalty of our employees and customers. We're proud of our achievements and the constant perseverance it takes to be able to remain a success story. We are excited for what the future has in store for us as we move forward with our goals of continuous improvement and product innovation."

- Dennis Leach, President/Owner

###

ABOUT ARTISTIC FINISHES, INC. For over 30 years, customers have relied on Artistic Finishes' blending and finishing artistry to complement their flooring. From the very beginning, we have relentlessly pursued constant improvement in our product and efficiency. Although the soul of Artistic Finishes remains that of a craftsman, we are embracing modern technology and innovation to best serve our customers by merging Moldings Online with Artistic Finishes in 2017. The fusion of Artistic Finishes and Moldings Online, now simply known as Artistic Finishes, creates a convenient one-stop-shop for our customers. With this merge, we continue to give our customers the Artistic Finishes experience - The Perfect Finish. Every Time.
